STRATACEND CONSULTING LLC

CAPABILITY STATEMENT

Killeen, Texas

Strategy. Results. Delivery.

COMPANY OVERVIEW

STRATACEND Consulting LLC provides hands-on consulting support that helps organizations move from strategy to execution. We deliver structured planning, coordination, operational improvement, stakeholder management, and implementation support across projects, events, business operations, and communications.

CORE COMPETENCIES

- **Program & Project Management** - planning, coordination, execution, stakeholder management, risk management, reporting, and delivery support.
- **Event Planning & Logistics** - scheduling, vendor coordination, stakeholder management, logistics planning, and event execution.
- **Business & Operational Consulting** - process improvement, operational assessments, organizational planning, workflow development, and execution support.
- **Social Media & Marketing Support** - content planning, campaign coordination, communications support, digital engagement, and marketing execution.

DIFFERENTIATORS

- **Strategy-to-Execution Focus** - translates goals and priorities into structured plans, accountable actions, and measurable delivery.
- **Hands-On Support** - provides practical coordination and execution support rather than recommendations alone.
- **Flexible Engagement Model** - supports defined projects, recurring consulting engagements, and tailored scopes of work.
- **Cross-Functional Perspective** - integrates project management, operations, logistics, stakeholder engagement, and communications.

FOUNDER QUALIFICATIONS

- **Project Management Professional (PMP)** - credentialed project-management leadership supporting disciplined planning, execution, stakeholder coordination, and delivery.
- **Veteran-Owned** - founder-led business informed by military leadership, operational planning, accountability, and mission-focused execution.

CLIENTS WE SUPPORT

Businesses • Nonprofit Organizations • Military & Veteran-Serving Organizations • Public-Sector Organizations
